1966

THE CLASS OF 1966  
PRESENTS

# DARDANIAN

---

TULPEHOCKEN HIGH SCHOOL  
RD #2 BERNVILLE, PENNSYLVANIA

---

VOLUME I

## FOREWORD

Dardanian, among the names submitted for our yearbook by members of the student body, was chosen because Dardania, the son of Zeus and Electra, was known as the mythological ancestor of the Trojans. Dardanian through the years has come to be used synonymously with the word Trojan, the symbol of Tulpehocken High School.

Where there are people there are facilities with doors. We the class of '66, present to you the open doors of our gateway to useful living, Tulpehocken High School.

# ELECTIVE ART

Art is an expression of one's inner feelings. The elective art classes, because of this fact, operate on a self-motivation basis. Students with a casual interest in art can explore its many fields and give their creative talents an outlet. The more devoted pupils can delve into the technicalities of the subject and form a foundation for future study.

The art elect students of the 1965-66 school term have, under the direction of Mrs. Grace Garrell, produced sketches, charcoal and pastel drawings, posters and oil paintings. The tasks of making special event posters and wall display case decorations are often turned over to these pupils.

## TROJANS CHAMPS AGAIN

The Trojans again captured the Berks County soccer championship and went on to the District Three finals. They started the season off slowly but soon picked up their pace.

The highlight of the season was the Elco game, which went into extra quarters. Raymond Brumbach became the hero of the day by scoring the winning goal.

Our Trojans were well-represented on the All-Star team by Ralph Miller, Pete Delp, and Robert Peters.

## BASEBALL

The 1965 baseball season opened with Tulpehocken's Ronald Reed catching the fast, precise throws of pitchers Gary Zellers and Harold Gassert.

One of the team's victories was the win over Wilson High School; Zellers and Gassert proved to be the masters of the ball, and the entire team supported them skillfully.

Due to an unfortunate accident suffered at batting practice, two first string players, Karl Kline and Paul Himmelberger, had to sit out much of the season.

The Tulpehocken Trojans played courageously during their second year in league basketball and never lost their spirit and sportsmanship.

The teams gave their opponents some exciting games under the direction of Mr. Brommer, the varsity coach, and Mr. Crim, the jr. varsity coach. Both of these coaches are new to our school this year, and they have great hopes in the potential of Tulpehocken's future basketball teams.

The Trojanettes honored their new coach, Miss Edris, with the 1965 Western Division Hockey championship. The girls again played an undefeated season, with the exception of their last game, which resulted in a tie with Conrad Weiser.

The Trojanette victories were the result of co-operation among all team members. The scorers for the season are Etta Ebling, Phyllis Tryon, Clarissa Hollenbach, Nancy Beamesderfer, and captains Diane Stamm and Sylvia Klahr.

Although the team will lose many valuable players when the seniors leave their positions, the jr. varsity players give all indications of being able to fill the vacancies and bring home next year's championship.

Last year the girls had no basketball team because there was no one to coach them. This year Miss Edris, a new-comer to Tulpehocken High School, has accepted the responsibility of coaching the Trojanettes.

The team was quite large in the beginning, but it had dwindled down to the few main players by the middle of the season.

Although the girls haven't been too successful, they have provided the spectators with some exciting, challenging games.

There are hopes for a good Trojanette team next year due to the renewal of interest in girls' basketball.

# TENNIS

Tennis is a game of great skill, and only one who is alert and agile is able to win his sets. A good player not only manages to retrieve the ball and masterfully execute it to his opponent's side of the court, but he also does it gracefully. Mrs. Harnly, the Trojanettes' coach, not only insists on good play, but also expects the girls to use proper form. The tennis players are taught the correct way of performing on the courts and are expected to adhere to these standards at all times.

One of the highlights of the season was the match with Elco; the Trojanettes won with the score 6 to 3.

The greatest challenge the girls confronted was the Hershey team, which is one of the better teams in the region. The girls also lost a valiantly played game to the boys. A match with the faculty was planned for the last day of school, but for some reason the faculty never made a showing.

The Trojan track team fared better than in previous years, but lack of experience proved a handicap. The team was unsuccessful this season, but had one outstanding performer, Willis Nolt, who finished in the first three places at all the invitational meets and climaxed the season by taking third in the 100-yard dash in District 3 Championships. An additional honor befell him when he was selected for the Berks County All-Star Track Team.
